REDUCING TOBACCO HARM CONFERENCE

May 10 - 11, 2001

Crystal City Hilton Hotel at National Airport • 3399 Jefferson Davis Highway • Arlington, Virginia

ACKNOWLEDGMENTS

The Reducing Tobacco Harm Conference would not have been possible had it not been for the financial support provided by the following collaborating organizations:

National Cancer Institute
National Institute on Drug Abuse
Centers for Disease Control and Prevention
Robert Wood Johnson Foundation
American Legacy Foundation

The co-chairs of the conference would also like to offer special acknowledgments to the conference planning committee members, who generously contributed their experience, knowledge and skills to bring this meeting together in a remarkably short time frame. We hope that the results will meet your expectations for the meeting and that this meeting provides research directions that will lead to improved public health.

Linda Bailey, Centers for Disease Control
Neal Benowitz, University of California, San Francisco
Michelle Bloch, National Cancer Institute
Greg Connolly, Massachusetts Department of Public Health
Lyndon Haviland, American Legacy Foundation
